2019 Continuing Challenge Awards
by Bob Hamilton
Each year, The Continuing Challenge Workshop honors excellence in the field of hazardous materials response with our annual awards program. We have a total of five awards that may be granted on an annual basis with a maximum of one award per category.

Any person or organization may nominate individuals or organizations (from anywhere in the world) in any of the appropriate categories by completing a nomination form. The form is available in the Awards section of the Continuing Challenge website at https://www.hazmat.org.

The following are the awards which may be bestowed by the Committee.

The William J. Patterson Lifetime Achievement Award
The James H. Meidl Instructor of the Year Award
The Continuing Challenge Medal of Valor Award
The Robert P. Turkington Innovation and Technology Award
The Leo K. Najarian Responder of the Year Award

This year's deadline for the receipt of nominations is May 1. If you have any questions or need additional information contact our Awards Coordinator, Bob Hamilton, at RBH1640@aol.com or by calling (916) 933-3772.
